

“Thank You” from Alumni - in - Need across continents

We've given ourselves 48 hours to respond to the countless requests we get ...

Oftentimes there's much legwork, looking – into, follow – up to be done and our colleagues (Virendra), Rajesh, Ankit and Vinod serve sedulously and almost always come up with substantial results that help alumni – in – need across continents and generations .

Served over 1500 alumni ...

Among our several *ReachOut* - in – Service successes are these ...

Thank you for your email. I agree that I did not provide any information about me. However, after trying for many years to get someone from the University of Delhi to response to my emails, I was not sure if I would get a reply this time either. It was a one last try !

Honestly I was surprised to see the upgrade of the University website and am happy that I was able to connect with you.

So I really appreciate your time and the information you provided. Thank you

I got enrolled as an Advocate yesterday (22-08015) with Bar Council of Madras and Pondicherry.

It would not have been possible but for your timely and prompt help offered. I am thankful and indebted to you personally for noticing, taking interest and establishing that despite holding such high appointments in Academics and Administration of a department of DU, your

heart and soul are with the best interests of the students at large and in this case even on alumni like me who passed out almost 20 years back by helping me with the verification process of my LL.B studies. In fact, when I contacted you, I was totally in dark and it was a desperate attempt in trying to find someone who would help me in Delhi get what I wanted like a man who will cling on even to a twig during drowning.

Your response was amazing and timely and all thanks for the same. I am truly proud to be an alumnus of Delhi University. In the whole process, I got chance to interact with you and Mr. Ankit. Please express my sincere thanks to Mr. Ankit also. I assure you, I will give my best to the profession of Law and Advocacy of Law and provide my best services to the clients at all times. I am already specializing on the matters of Intellectual Property Rights (IPR).
